General Conditions

The Student commits himself/herself to attend the academic programme of the Bio & Pharmaceutical Materials Science European Master. Course starting on 1st September 2022, approved by the European Commission under Convention Number 619633 having a duration of 2 academic years. The student declares to meet the requirements to follow the proposed academic programme, particularly that he/she holds a Bachelor (or equivalent) degree in _____ and that he/she commits himself/herself to reach a minimum level of English language equivalent to B2 according to the levels defined by the Common European Framework of Reference for Languages (CEFR) before the starting of the programme. The universities will endeavor their best to provide the Student with tuition, supervision, assessment and support services of a professional standard. Relevant information concerning the structure and organization of the Master is published on the BIOPHAM website (<http://master-biopham.eu>).

The study tracks will have to be confirmed by the student and validated by the Educational Committee at the beginning of the 1st semester. During the two Master years, the Student must attend a minimum 30 ECTS in (at least) three (03) Degree-Awarding-Partner institutions:

- University of Lille, FRANCE
- University of Pisa, ITALY
- University of Silesia in Katowice, POLAND
- Polytechnic University of Catalunya, SPAIN

under the condition that the rule mentioned above is respected. At the end of the programme, the Student will receive multiple diplomas (national degree) each student will receive a common Joint Multilingual Diploma Supplement. This Diploma Supplement will mention the course units attended by the Student during the two BIOPHAM Master years and the ECTS grades obtained for each one.

Tuition and Scholarship conditions

Tuition fees are: 9 000 € per year for category A (Partner Countries) and 4 500 € per year for category B (Programme countries). This fee covers the national enrolment fees in force in each university of the Master and the insurance cost. The number of scholarships for the granted students of category A and category B will be as follows:

(1) Category A students:

Citizens of 'Partner Countries': all countries except for the 27 Member States of the European Union or associated states: FYROM, Iceland, Norway, Liechtenstein and Turkey. Switzerland is participating as a Partner Country under Erasmus+:

- contribution to participation costs: EUR 18000 € maximum units per candidate.
- contribution to travel & installation costs: EUR 7000 € maximum units per candidate.
- contribution to subsistence costs: EUR 24000 € maximum units per candidate.

The maximum amount for a category A student scholarship is: EUR 49000 €

(2) Category B students:

Citizens of 'Programme Countries': the 27 Member States of the European Union or associated states: FYROM, Iceland, Norway, Liechtenstein and Turkey.

- contribution to participation costs: EUR 9000 € maximum units per candidate.
- contribution to travel & installation costs: EUR 7000 € maximum units per candidate.
- contribution to subsistence costs: EUR 24000 € maximum units per candidate.

The maximum amount for a category B student scholarship is: EUR 40000 €

The scholarship will be transferred to the bank account which the student will be requested to open after his/her arrival in Europe; consequently he/she will communicate to the BIOPHAM office in Lille the account's coordinates. The student is responsible for submitting the correct data regarding his/her bank account. In case of wrong communication, the relevant bank costs will be charged to the student. The scholarship does not create or entitle an employer-employee relationship between the University and the Student and therefore is not subject to direct taxation.

Management of the scholarship funds in case of course interruption

In the eventual case of termination of the course:

the Student did not reach the minimum requirements to continue:

- lack of active participation (in the lectures, practical sessions, field trips, informative official meetings, internship, evaluation activities, etc.) due to personal reasons/choices that the Student cannot justify with medical certificates
- for which permission has not been granted by the BIOPHAM staff
- exclusion from the BIOPHAM due to serious infringement of the ethical code, etc.

The Student has to reimburse the portion of the amount he/she has received and that exceeds his/her actual

The amount to be reimbursed will be decided by the Programme Board of the BIOPHAM Master.

Collection and processing of personal data

The European Education and Culture Executive Agency (EACEA), in the context of managing the Erasmus Mundus Joint Master Degrees, collects and processes the personal data of some of the candidates. In particular, certain data of the scholarship holders (students and scholars), non-scholarship holders and reserve list candidates is shared with the Agency through the EACEA Mobility Tool and treated according to the following privacy statement.

By signing this agreement, the student authorises the use of his/her personal data in activities related to BIOPHAM. All personal data contained in the agreement shall be processed in accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation). Such data shall be processed in connection with the implementation and follow-up of the BIOPHAM project by the Partner Institutions, EACEA and the European Commission, without prejudice to the possibility of passing the data to the bodies responsible for inspection and audit in accordance with EU legislation.

The student may, on written request, gain access to his/her personal data and correct any information that is inaccurate or incomplete. He/she should address any questions regarding the processing of his/her personal data to master-biopham@univ-lille.fr.

Modification of the contract and dispute resolution conditions

Any conflict among the Parties signing this contract should be brought to the attention of the BIOPHAM programme coordinator, who will decide on the best way to resolve it. Without prejudice to the general consequences laid down in national law applicable in the present contract, the University of Lille - as coordinating institutions - reserves the right to cease the effects of the present contract, without resource to any juridical procedure apart from adequate communication to the Student. Any alteration of the present contract or respective Appendices must be communicated in writing. The signatories declare that they have read and accept the conditions laid down in the present contract.
